Emergency Preparedness Kits from More Prepared

More Prepared offers a complete line of Survival Kits and Emergency Preparedness products. Emergency preparedness experts recommend storing three emergency kits at different locations. They reason that if you store one kit at home, one kit at your workplace and one kit in your car, you will likely have an emergency survival kit handy when and if you need it.

To all HBNW Block Captains and Residents:

HBNW has partnered with 'More Prepared' for your Survival Kit needs. You can [download](#) the PDF file attached and mail or fax in your order or [visit ONLINE](#) at www.moreprepared.com.

We have a **COUPON CODE** of **HB2007**. This notifies 'More Prepared' that you are a HBNW member and qualifies you for free shipping to Hermosa Beach residents. You are still able to use this code if you are sending to an address outside of HB. However, you will be charged appropriate shipping costs to that destination.

Check, Visa, Master Card and American Express are available for your convenience.

We are still continuing to offer a FUNDRAISER opportunity for the Hermosa Beach Schools. You will be prompted at the ORDER FORM if you would like to give a DONATION. We are leaving this up to you and your generosity by not imposing a certain dollar amount on the items ordered.

Hermosa Beach MOMS, the coordinators of HBNW, would appreciate if you would donate to the Hermosa Beach View and Valley Schools in the **ADDITIONAL DONATION BOX** at the completion of your order as we are proud believers that you must get prepared. We continue that community service all year round.

Support your schools; empower your family. ORDER A KIT for your home, office and car TODAY!

Thank you - Kelly, Tracy and Nancy
